Emmaus, Glasgow – Emmaus offers a way out of the loneliness and rejection of living rough on the street. By living and working in Emmaus, people recover their self-respect, discovering for themselves how to take responsibility for their own lives as well as helping others less

fortunate than themselves.

Emmaus Companions use the surplus profits generated by their hard work to help others in need, for example, by supporting the local night shelter or providing furniture for those who cannot afford to pay for it. Support is requested. Please see notice board.

Gonzaga Lectures 2010 – The theme of this year's lectures is Change, Challenge and the Church. Please see notice board for lecture dates and times.

Message from Fr. Joe – Dear brothers and sisters in Christ, as you may have heard, I had a sneaky wee visit back to the parish on Tuesday morning and was most happy to share in the morning Eucharist and to meet at least some of you again. It also helped me to realise that I will have to be patient until the body recovers. I have now been advised it will probably be about the 19th of April before I will be able to return. Hopefully by that time however, I should be fully fit again. I thank you once again for all your prayers, cards and best wishes. I am remembering you in my prayers and as Lent begins on Ash Wednesday I hope and pray that you will have a happy and joyful Lent and through penance and prayer will celebrate the great feast of Easter with renewed faith, hope and love. God Bless you all, Fr. Joe.

The Pioneer Total Abstinence Association of the Sacred Heart – please consider a "Short-Term Pledge for Lent". See poster and prayer leaflets at back.
