Euthanasia Bill

There is currently a bill before the Scottish Parliament legalising euthanasia. MSPs have informed that there has been very little lobbying against the bill and there is therefore a very real likelihood that it will move forward because we have failed to let our opposition be known. To help educate our people and to muster opposition, Archbishop Conti would like two delegates from the parish who would be willing to attend an information talk on the bill and take responsibility for raising awareness of the issue and the steps which can be taken in each parish. If you are interested in being a delegate please let Fr. Gerald know as soon as possible. The talks will be held in Eyre Hall of the Curial Offices, 196 Clyde St., Glasgow on Mon 12th Apr at 7pm and on Tues 13th Apr at 2pm
