#### How many Popes so far?

Including our present Holy Father, Pope Benedict XVI, there have been 265 Popes in the history of the Church.

#### The bishops and the "Apostolic Succession"?

Apostolic Succession refers to the handing on of apostolic preaching and authority from Apostles to their successors, the bishops by the laying on of hands. The office of bishop is a permanent office in the Church. "Apostolic succession is the transmission by means of the sacrament of Holy Orders of the mission and power of the Apostles to their successors, the bishops. Thanks to this transmission the Church remains in communion of faith and life" throughout the ages, while she carries on the mission of Christ.

#### "REFLECTING ON CARITAS IN VERITATE"

*Development needs Christians with their arms raised towards God* in prayer, Christians moved by the knowledge that truth-filled love, *caritas in veritate*, from which authentic development proceeds, **is not produced by us, but given to us.** For this reason, even in the most difficult and complex times, besides recognising what is happening, we must above all else turn to God's love.
