## Message from Fr. Joe

Dear brothers and sisters in Christ,

Hopefully by the time you read this I will be back in the parish. Whilst I am not yet fully 'up and running', I am almost there. The doctor prescribed me some steroid drops for the nose and they seem to have helped to boost the system. I suppose it means I will not be eligible to play in the World Cup in South Africa this summer but probably that would not be a good idea anyway!

I am looking forward to getting started again, but cannot count the number of people that have told me I need to start slowly and take it easy. It is hard to change the habits of a lifetime but, at the moment anyway, I think nature herself if dictating the pace. I will endeavour to listen as best I can to Mother Nature for I know she is very wise.

I will have a meeting with the members of the PPC as soon as possible in order that we can look at the provision of Masses in the parish and how best to organise ourselves so that it is easier to get a Priest to cover when needed.

Thank you for the many cards, letters and prayers that you have offered for me. They have been a great source of consolation and encouragement to me over the past three months. May God bless all of you

Fr. Joe
