### Mission Appeal for the Holy Ghost Fathers

Each year one of the Missionary Orders in the Church is allowed to go to a parish and make an appeal on behalf of the Society. This is known as the Deanery Mission Appeal. These appeals are a very important source of funds for the Society and also offer us, as a parish, the opportunity to become more aware of the work they are doing and to help us to share in their work in spreading the Gospel in what are very often poor and impoverished situations. Sadly in recent years many of our fellow Catholics including some of the missionary men and women have given their lives for the faith. Let us pray earnestly for the Holy Ghost Fathers and help them by our generous contributions. The appeal will be delivered by Fr. Ambrose, a Nigerian Priest whose last appointment was as a missionary in Ghana. I do not know whether their success is the World Cup is a result of his efforts!

### Our Lady's High School Awards Ceremony

It was very nice to be invited to attend this ceremony and I felt, from our point of view as a Parish, a most encouraging evening for us all. Given how few secondary school pupils actually attend Mass on a regular basis, I was amazed to see

almost everyone represented in some way at the Award ceremony. Our constant mantra is that the authentic development of the lives of children depends on the strength of the partnership between the families, the Parish and the school. Congratulations to all who received awards, we are most proud of you.

**Congratulations** also to Niamh Buchanan, age 13, who, running for Pro-Life Charities, came in 4<sup>th</sup> in the 5K in a field of 4,000 runners. Incredible!
